VALLEY POPCORN DUNK TANK SAFETY

- 1) Unit must be set up in a safe, flat area, free of debris and electrical items.
- 2) Keep water level at least 8" from the top of the tank.
- 3) Only one person at a time is allowed on seat or in tank.
- 4) Keep all non-swimmers and anyone less than 5' (5 feet) tall out of tank
- 5) To avoid slipping in the tank, always wear tennis shoes.
- 6) Advise dunker to move towards the front of the tank when coming up out of the water to avoid hitting head on seat.
- 7) If tank is to be left unattended, you must drain water.
- 8) Only use the supplied balls. These balls are designed for the Dunk Tank. Other types of balls may cause damage to the target
- 9) Never stand on seat.
- 10) When sitting on seat, keep hands on knees and sit forward.
- 11) Do not hit target with hands.
- 12) Do not operate Dunk Tank during a storm.
- 13) Have fun, and please use common sense.

Valley Popcorn Company cannot be held responsible for any personal injuries that may occur while you are using or transporting our Dunk Tank.
